

CIMENTART
MICROCEMENT

Seamless Beauty, Endless Possibilities

Introducing Ciment Art Microcement,
the premier supplier of high-quality
microcement solutions, setting a new
benchmark for seamless, durable and
stylish surface finishes.

As a globally recognised brand
now available in Australia, Ciment
Art Microcement is the trusted
choice for architects, designers, and
tradespeople seeking innovative,
high-performance coatings.

CIMENTART
MICROCEMENT

Unparalleled Quality & Performance

Crafted with advanced European technology, Ciment Art Microcement is renowned for its superior adhesion, waterproof properties and elegant aesthetic. Designed for both interior and exterior applications, our microcement transforms walls, floors, countertops and wet areas with a sophisticated, polished look that stands the test of time. With a wide range of colours and textures, our product offers limitless design possibilities for residential and commercial projects alike.

Readily Available, Seamlessly Supplied

As the exclusive distributor of Ciment Art in Australia, we ensure a seamless supply chain from Europe to your project site. Our rigorous quality control measures and strong partnerships with manufacturers mean that every batch meets the highest industry standards. With a robust distribution network across Australia, we guarantee reliable stock availability, prompt delivery, and professional support, so you can complete projects with efficiency and confidence.

Comprehensive Training for Applicators

We believe that excellence starts with expertise. That's why Ciment Art Australia offers specialised training programs to equip applicators with the knowledge and skills to achieve flawless results. Our training covers:

- Introduction to microcement products
- Product application techniques
- Surface preparation and finishing
- Troubleshooting and maintenance
- Best practices for long-lasting performance.

Whether you're a seasoned professional or new to microcement, our hands-on training ensures that you can deliver exceptional finishes every time. Plus, certified applicators gain exclusive access to ongoing support and premium product offerings.
